Our Motive

Once you have discovered, and you become who God originated you to be, you will help lead others into their God created destiny.

As a leader you will develop your God given ability and the potential in you.

It is our desire to prepare you to succeed in life but you need to be ready to accept the responsibility today, which sets you in motion for tomorrow.

Our Method

Day after day, as we meet here at ACLTC, the Word of God will begin to enable and mould you into the leader God wants you to be. For a few hours each week you will sit under the unique teaching of proven ministry gifts and leaders. They will impart to you nuggets of truth and provide you with insight on your journey of growth.

Adullam's Cave Leadership College is a vibrant and growing non-denominational Bible Leadership Training and School of Ministries.

Founded in 1992 in line with the vision of UKWET Ministries as a world outreach Centre

Our Mission

Raising Up Spiritual Leaders

- ✦ To instruct & equip students in all aspects of discovering God's purpose & destiny for their lives & to train them to achieve these purpose.
- ✦ To train students in the principles of godly leadership in order that they may impact their areas of ministry wherever God has called them to.

Our Goal

“And this gospel of the Kingdom will be preached in all the world as a witness to all the nations and then the end will come” Matt. 24 vs. 14
